

About Me

Turning chaos into craft. I love being curious & exceeding expectations. With over a decade of experience, my primary goal is to build a relationship with creative minds. Working together, we will be the curtain that is pulled back and reveals a world familiar yet unlike our own.

SETH M. SHULMAN

EDITOR & BEYOND

My work has aired nationally for CBS, ABC, and PBS. It has screened at the American Film Institute, Academy of Television Arts & Sciences, Panavision and worldwide. Clients include NBA Cares, HooplaHa, Inclusion Films, Charles Phoenix, American Cinematheque, the Catalina Island Museum, Long Beach Heritage, the Art Deco Society of Los Angeles, and the Fillmore Jazz Festival in San Francisco.

Let's making something memorable!

Work Experience

2019-Present

Media Specialist

Problem solving in a technical and creative capacity while supporting a collaborative environment. Creating a memorable viewing experience is the end goal. Experience working across genres, all lengths & subjects. I love to learn about the world around us.

2007-2019

Post Production Specialist

Inclusion Films & Futures Explored

Day program for adults with developmental disabilities with an emphasis on media. Responsibilities included post production on multiple projects each 20 week session, digital asset management, in-house and client based project management, creating deliverables and coordinating with vendors such as transcription services, media distributors, and rental houses.
